Amazing Ocean Front House
Close to Everything

This 900sqm, 7 Bedroom home offers a luxurious interaction between privacy and communal living. This charming beachfront haven is embraced by the magical scenery of Matapalo Beach Costa Rica. Offering secure open concepts alongside the magical sunsets of the region. Thoughtful voids and courtyards set the stage for an architecture that feels grand and open. It's an invitation to connect with the environment, creating a harmonious blend that resonates with the essence of coastal living.

Matapalo

Renowned for its pristine beauty and unspoiled natural surroundings. Nestled along the South Pacific coast, Matapalo Beach captivates visitors with its golden sands, crystal-clear waters, and lush tropical vegetation. This secluded stretch of coastline is favored by nature enthusiasts and adventurers seeking tranquility and outdoor activities.
